Trakās gailenes, puķes un pūķi pār Pāvilstu

Agrs rīts. Radio nopietnā balsī vēsta par šaušalīgu puteni visas Latvijas teritorijā. Cēli esot neizbraucami, lūztot koki un zemē mētāloties

## Pasūtījuma portrets

Pat slaveniem maksliņiekiem nākas atrotīt rokas un veikt pasūtījuma darbus, kuri vērtējami kā rutīnas darbiņi. Cienijams politiķis jāuzglezno tā, lai viņš izskatās trauksmaināks, gudrāks un, protams, garāks. Cienijams tirgotājs jāuzglezno tā, lai viņš izskatās tievāks, labisirdīgāks un, protams, filantropiskāks. Cienijams skatuves maksliņieks jāpadara interesantāks, dziļāks (lai ko tas arī nozīmētu) un, protams, maksimāli mūdienīgs 😊

**7 days**

Beer and fish is an important part in the Latvian heritage. The tour introduces you with Latvia through these two fundamental components. While in Riga you have a tasting of the beers from all four Latvian regions and typical snacks as an introduction. Then the tour goes out to the countryside. First stop at the Bauska Brewery which takes pride in their products free of preservatives. Then there is a visit to Rundale Palace and the reconstruction of an ancient Semigalian castle at Tervete. Then visit Tervete Brewery which is a part of multifunctional agrocompany. All their beer ingredients are locally produced. Next day you see how beer is made at home using traditional methods and could taste the difference. Afterwards the tour goes to Liepaja. The city has nice white sandy beach, atmospheric town centre and significant military heritage at Karaosta suburb nowadays used mainly for tourism. Then the route goes into small picturesque town Kuldiga with well-preserved wooden architecture and the widest waterfall in Europe. Another visit to brewery - Uzavas Brewery which specialises in live beer. Then sightseeing of port town Ventspils and fishermen meal and games at small harbour town Roja. Next day you could enjoy morning walk on the beach after which there is a visit to fishermen house to see fish smoking process. Then the route turns back to Riga with an atmospheric bog walk at 'Kemeru National Park on the way and stop at sea resort Jurmala with characteristic wooden villas from 19th century and a lunch at potato restaurant.
